

New York's Bravest 2018

This calendar, workchart, and information directory is published as a membership service by the UFA. The UFA is the labor union and official bargaining agent representing all Firefighters, Fire Marshals & Marine Wipers, Pilots and Engineers who loyally serve the people of New York City each & every day.

Engine Company 49 was organized on March 22, 1882 on the present day Roosevelt Island which was then named Blackwell's Island. The construction of the 36th Avenue Bridge which connects the island to Long Island City caused Engine Company 49 to be disbanded on September 21, 1958.
