If there are any discrepancies between this Summary Plan Description and the Group Term Life and Group Accidental Death & Dismemberment Policies, the Group Term Life and Group Accidental Death & Dismemberment Policies will be the governing documents in all cases.

GROUP TERM LIFE HIGHLIGHTS

The Group Term Life Insurance Plan pays a benefit to a designated beneficiary in the event the covered person dies. The Group Term Life Insurance death benefit will be paid regardless of the cause. The Group Accidental Death & Dismemberment Insurance Plan pays an additional benefit to you, or to a designated beneficiary, should you suffer a covered accidental death or dismemberment caused directly and independently of all other causes (except as limited by the AD&D Exclusions). The Company will require that authentic proof of death and/or dismemberment be supplied.

The UFA subsidizes retirees premiums with the following exception: Effective March 1999, the UFA will no longer offset premiums of new promotees above the rank of Firefighter/Fire Marshall/Wiper. The total premium must be paid by post March 1, 1999 promotees wishing to maintain the UFA Group Life Insurance Policy. Effective January 1, 2007, the UFA will no longer subsidize any promoted premiums prior to March 1, 1999.

Evidence of Insurability

New Firefighters have 31 days from their appointment date to choose insurance coverage up to the maximum benefit of \$500,000, guaranteed issue. The new firefighter has the choice to increase his benefit up to \$500,000 any time during that 31 day period without providing Evidence of Insurability.

After the 31 day period, the new firefighter may purchase an additional \$100,000 (up to the maximum of \$500,000) in the calendar year that he is appointed, but he must provide Evidence of Insurability.

Open Enrollment

The Open Enrollment period was July 1, 2010 to August 31, 2010 and was for Active Members of the Uniformed Firefighters Association of Greater New York for Voluntary Life Coverage only. No retirees or dependents were allowed to enroll without medical questions.

If an active member was not currently enrolled, they were allowed to elect \$100,000 of coverage without medical questions.

Active members could have increased their current coverage and additional \$100,000 without medical questions.

Active members previously declined were eligible for \$100,000 of coverage without medical questions.

\$100,000	\$ 50,000

A one-time open enrollment* period was held March 15, 2006 to May 31, 2006 and allowed firefighters presently insured for benefit amount of less than \$100,000 to increase their coverage up to \$100,000 without Evidence of Insurability. Firefighter’s presently insured for benefit amounts of \$100,000 could elect to increase their coverage, by one increment, up to \$200,000 without Evidence of Insurability. If you are not Actively At Work when the change should take effect, the change will take effect on the day you return to active work.

Payment Options

Beneficiaries have various options in receiving the proceeds of a death claim. The proceeds can be received in one lump sum or in equal installments. These options will be explained to the beneficiary when a claim is filed.

If you choose dependent coverage initially, it will become effective when your coverage becomes effective (or when you first acquire the dependent). However, if your dependent (other than a newborn) is in the hospital when coverage is to begin, coverage will be postponed until your dependent is released by the hospital.

Coverage for newborns begins when the child reaches 14 days of age.

If an Insured Person has not been found within one year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the Insured Person was an occupant, then the Insurance Company will consider that, subject to all other terms and conditions of the plan, the Insured Person suffered loss of life.

Severe Burns

The plan will pay benefits if, as the result of injury while performing their duties as a firefighter, an Insured suffers from a severe burn that is classified as a third degree burn.

“Severe Burn” means one or more losses suffered by the Insured Person as a result of an accident that caused the Severe Burn. If only one of the Insured Person's specified body areas (as indicated above) is Severely Burned in an accident:

2. and a lesser proportion of the surface of that specified body area is Severely Burned, the benefit payable is that same lesser proportion of the Percentage of Principal Sum shown above for that specified body area.

(For example: The Percentage of Principal Sum shown for the “foot and lower leg below knee joint (right)” specified body area is 27%. If 100% of the surface of that specified body area is Severely Burned, the benefit payable is 100% of 27%, or 27%, of the Principal Sum. If 50% of that surface is Severely Burned, the benefit payable is 50% of 27%, or 13.5%, of the Principal Sum. If 1/3 of that surface is Severely Burned, the benefit payable is 1/3 of 27%, or 9%, of the Principal Sum.)

GROUP TERM LIFE AND AD&D INSURANCE PLANS

If more than one of the Insured Person’s specified body areas is Severely Burned as a result of the same accident, the benefit payable is the lesser of: (1) the sum of the benefit amounts calculated separately, according to the above rules, with respect to each such specified body area; or (2) 100% of the Principal Sum.

The determination of whether or not a specified body area is Severely Burned, and what proportion of its surface is Severely Burned, must be made by a Physician. The Company has a right, at its own expense, to have the determination verified by a Physician of the Company’s choice.

“Severe Burn/Severely Burned” means cosmetic disfigurement of the surface of a body area due to an Injury that is a full-thickness or third-degree burn, as determined by a Physician. The minimum Accelerated Life Insurance benefit amount is \$15,000. The maximum benefit an Firefighter may receive is the lesser of:

The Company may require that you be examined by a doctor of its choosing. If the Company requires this, the Company pays for the exam.
- provide to the Company written consent from any beneficiary, assignee, and, in community property states, from your spouse.

The Accelerated Death Benefit proceeds are paid in one lump sum unless you request an alternate payment arrangement in writing which is approved by the Company. The minimum payment under such an arrangement will be \$500 per payment. The Company may also charge a fee of not more than \$25 for each payment processed under the installation agreement.

- every irrevocable beneficiary, if any, has not approved payment of this benefit.
- The Firefighter has attained sixty-five (65) years of age as of the date application for this benefit has been received by the Company.

Effects on Coverage

When the Company pays out this benefit, your coverage is affected in the following ways:

- Your total available Term Life Insurance benefit equals your amount of Term Life Insurance shown under Plan Highlights at the time you apply for the Accelerated Death Benefit.
- Your Term Life Insurance benefit is reduced by the Accelerated Death Benefit proceeds paid out under this provision.
- Your Term Life Insurance benefit amount which you may convert is reduced by the Accelerated Death Benefit proceeds paid out under this provision.
- Your remaining Term Life Insurance benefit is subject to future age reductions.
- You will not be able to reinstate your coverage to its full amount in the event of a recovery from a terminal condition.
- Your dependents' Term Life Insurance coverage will be unaffected by Accelerated Death Benefit proceeds paid to you provided all required premiums are paid.

Termination of Accelerated Life

Accelerated Life will terminate on the date your insurance under the Policy terminates or upon the Company's receipt of your written request for termination. However, this benefit will continue to be available while you are covered under the Extension of Life Insurance for Total Disability provision of the Group Term Life Policy, subject to the terms and conditions of that provision.

FILING CLAIMS

You or your beneficiary should contact the Company within 15 days (20 days for AD&D), or as soon as possible, after the death of the covered person. Once notified, your local Benefits Representative will forward proof of loss forms to you or your beneficiary within 15 days. You or your beneficiary must complete and return the forms (with the necessary attachments) within 90 days of the loss.

Benefits will be paid to the beneficiary as soon as the carrier receives proper written proof.

Claims Review Process

If a claim for benefits is denied in whole or in part, the beneficiary will receive a written explanation of the reason for the denial.

Payment of Claims

Indemnity for Loss of Life shall be paid in accordance with the beneficiary designations. If no such designation is in effect, then the Indemnity shall be paid to your estate. Indemnity for other losses shall be paid to you, the Insured Firefighter. If any benefit under the Policy becomes payable to:

1. The estate of the Insured Firefighter;
2. An Insured Firefighter who is a minor; or
3. An Insured Firefighter who is not competent to give valid release;

then the Company may pay the benefit up to an amount not to exceed \$1,000 to:

1. Any relative by blood; or
2. Any person related by marriage;

who is deemed by the Company to be equitably entitled. Any payment made by the Company in good faith under this provision will fully discharge the Company to the extent of the payment.

WHEN COVERAGE ENDS

Generally, your coverage will end when you terminate employment or when a participant no longer meets the Plan eligibility and coverage requirements.

Coverage will also end if the Plan is terminated.

The Accelerated Death Benefit stops the date your Term Life Insurance stops or at the beginning of the period in which you are eligible to convert your Term Life Insurance.

However, if you stop active work because of sickness, accidental injury, personal leave of absence or temporary layoff, you may be able to continue your coverage.

Conversion Rights for Life Insurance

You and your dependents may convert the Term Life Insurance group coverage to an individual life insurance policy if coverage ends because:

- the Policy terminates; or
- your employment ends;

You or your dependent can purchase an individual whole life insurance policy from AILife (convert). No Evidence of Insurability will be required.

To convert, you or your dependent must, within thirty-one (31) days after insurance ends:

1. Apply in writing to AILife at 70 Pine Street, New York, New York 10270; and
2. Pay the first premium.

The Premium will be based on:

1. AILife's rates for the policy form and amount;
2. The class of risk to which you and your dependents belong; and
3. The age as of you or your dependent's nearest birthday at the time insurance ends.

The individual policy will not:

1. Be term insurance (except you or your dependent can choose a single premium one year term policy);
2. Pay any dividends (non participating);
3. Contain disability or other supplemental benefits; or
4. Be for an amount that is more than the insurance under the Policy when insurance ends.

The individual policy will go into effect at the end of the thirty-one (31) day period after insurance ends.

The Amount of Converted Insurance for Group Term Life Insurance

If an insurance ends because the Policy:

1. Terminates; or
2. Is changed to terminate the class of Members to which you or your dependents belongs; you or your dependents can convert as if insurance ended; but in no event shall the amount of such converted insurance exceed:
 - a. The amount of your or your dependent's insurance protection under this Policy;
 - b. Less any amount of life insurance for which you and your dependents may become eligible under any group policy issued to the Employer within thirty-one (31) days of the termination.

If a Member dies within thirty-one (31) days after their insurance ends, AILife will pay a death benefit equal to the maximum amount for which he could have converted.

If you or your dependents have already converted the insurance under the Policy (or any Policy issued by AILife to replace the Policy), the amount of insurance under the Policy will be reduced by the amount of insurance converted. But this limit will not apply if:

1. The Member surrenders the individual policy to AILife; or
2. The Member furnishes at his expense Evidence of Insurability satisfactory to AILife.

The individual policy will become effective 31 days after the group coverage ends. However, if the covered person dies before the individual policy takes effect, the benefit payable will be the amount payable under the group policy (whether or not an application was made and premiums paid for an individual policy). If this occurs, any premium paid for an individual policy will be refunded.
