

FDNY WTC Health Program – Brief Overview of Primary Services

WTC Medical Monitoring – What is it? How often? What happens?

In-depth yearly evaluation, with cholesterol, glucose levels, liver & kidney functions, & blood cell count results

Retired? – **WTC Medical** appointments, available yearly, at **five NY-area locations** – 718-999-1858

Active? - Annual Company / Station Medical at BHS - is your **WTC Medical**. You will now see **two doctors**, one of whom will be a WTC Physician. The FD WTC Medical staff have **NO DUTY DETERMINATION responsibilities**

WTC Treatment – An **Important Companion Service** to Yearly **WTC Monitoring**

Shorter visit with FDNY WTC medical staff – doctors and nurses

If you are experiencing a worsening of an already diagnosed WTC health issue, or are experiencing a new potentially WTC-related health issue, **you may schedule a WTC Treatment appointment as frequently as needed**

Once your WTC health issue is certified (Zadroga Law requirement), **free services treating that specific health issue** can include: **specialized diagnostic tests; referrals to outside specialists; prescriptions for WTC-covered meds**

WTC Treatment – numerous appointments available - multiple days each week - at **five (5) FD WTC sites in Metro NY**, all sites open to **both active & retired members**. Call **FDNY WTC Member Services** at 718-999-1858

Does the **FDNY WTC Health Program** cover **Counseling** and **Mental Health Services**?

Yes – **FDNY Counseling Services Unit (CSU) care is expert, confidential, & free**

Five (5) CSU locations in NY Metro area – **Manhattan** (Lafayette St in Soho), **Staten Island** (Victory Blvd), **Fort Totten** (Bayside, Queens), **Brentwood** (Long Island), & **Middletown** (Orange County, upstate NY)

All **CSU sites** - staffed with **licensed, experienced Counselors**. If more specialized care is required, including prescriptions, free referrals are made to **FD WTC Psychiatrist MDs** and **FD WTC Mental Health Nurse Practitioners**

Please call **212-570-1693** for more details & to schedule an appointment at the location most convenient for you

Is Cancer covered under the FDNY WTC Health Program?

Yes. **FDNY WTC Health Program now covers over 60 WTC-related cancers**

As of 6/30/17, **1,701 FD WTC members** have **at least one** WTC-related cancer certification

Have you received a cancer diagnosis, plus have biopsy & pathology reports? Contact Nadia Jaber – **718-999-1223** - to start your WTC cancer certification process

Our **dedicated, knowledgeable, and experienced FDNY WTC Cancer Care team** – **Doctors, Nurse Case Managers, and Social Workers** - will help you through every step of your WTC cancer care treatment

Is this card in your wallet? This is the WTC Prescription Plan card, for use with local pharmacy prescriptions
