

# FDNY WTC Health Program – Physical Health Satellite Locations

**Retired Members** – Appointments for WTC Monitoring and WTC Treatment, available multiple days per week at **five (5) FDNY WTC locations**, including BHS at HQ

**Active Members** – WTC Treatment appointments (**no** Duty Determination) - available multiple days per week, at **five (5) Metro NY FDNY WTC locations**, including BHS at HQ

**Active Members** – Annual Medical at BHS **is your WTC Medical**. **New feature** - will now see a **2<sup>nd</sup> doctor**, an **FDNY WTC Treatment doctor**, in a separate **new WTC Medical Suite**. There your **WTC-related health issues confidentially discussed** (**no** Duty Determination)

**BHS & Satellites (except Ft Totten)** – easy access for physically challenged members

WTC Monitoring = yearly in-depth health evaluation – provides WTC and non-WTC results regarding your current health status & early diagnosis of developing issues

WTC Treatment = shorter doctor visit, you **schedule visits as needed, based on severity of your WTC health issues**. You can **check your WTC health certifications**. **Free** prescriptions may be written for covered meds. If needed, **free** referrals issued: **1. For more specialized testing** (CT Scan, MRI, Endoscopy, etc); **2. To see participating WTC Specialty physician provider** (ENTs, GIs, Pulmonary, etc);

Please call **FDNY WTC Member Services** at **(718) 999-1858** for an appointment
